

---

Many people have a verizon iphone 4 and they want to unlock their verizon iphone for free. There are a few ways to do it, but the best way is by doing a google search for "how to unlock my verizon iphone 4 for free" or checking out this article! If you follow these steps, you'll be able to unlock your phone in no time! \* Be careful about unlocking your phone with an invalid IMEI number. This will void the warranty on your phone and will cost you money.\* You must have an active account that is not currently suspended or terminated. If your account has been suspended, remain eligible until the suspension period ends. If your account has been terminated, contact Customer Service or call 1-800-555-1212 to reactivate the account. Here are the steps you should take to unlock your Verizon iPhone 4. If you are currently in the setup process for your phone, skip down to get to it!

"Step 1: Verify that the phone is locked" You must make sure that your phone is locked before attempting any of these methods. If it is not, go back to Step 3 and select "Verify Unlock Code" instead. If you have an active account on Verizon's network, you can unlock your device through iTunes by providing payment info for either a one time unlocking payment or monthly payments. Step 2: Connect your iPhone 4 to iTunes in order to complete activation. Download iTunes at [www.itunes.com](http://www.itunes.com). Connect the iPhone 4 to the computer using the USB cable that came with it. Select your device when it appears in iTunes. Click "Summary" and then click "Check for Update". Follow the prompts on screen to update your iPhone 4 with Apple's latest software version. When this completes, you will be prompted to enter payment info in order to complete Activation. Do so and follow the onscreen prompts until you can determine if you are eligible for an unlock code or not (see below). Step 3: Check your eligibility for an unlock code Verify that your phone is locked by selecting "Verify Unlock Code". If it is not, verify your IMEI number to ensure it is within the unlockable realm listed below. If you are eligible for an unlock code, continue to Step 4 (below). If you are NOT eligible for an unlock code, select "Continue Setup" at the top of this screen. Step 4: Enter Unlock information and submit payment. Enter your IMEI number in the field labeled "IMEI Number", then click Next. You will now be prompted to enter payment information (either one time or monthly payment options). Follow the onscreen prompts to complete this process. Take note! If you attempt to submit a payment using a non-verizon address, your order will be voided and the payment will not be processed. If successful, your iPhone 4 will be unlocked. You may also want to follow <https://www.attunlockcode.com/unlock-verizon-iphone-4g-att.html> to unlock a Verizon iPhone 4G for ATT network.
