## Dua'a-e-Kumayl

In the name of Allah, the Beneficent, the Merciful

O Allah! Bless Muhammad and his progeny.

O Allah! I beseech Thee by Thy mercy which encompasses all things And by Thy power by which Thou overcometh all things and submit to it all things and humble before it all things And by Thy might by which Thou hast conquered all things And by Thy majesty against which nothing can stand up And by Thy grandeur which prevails upon all things And by Thy authority which is exercised over all things And by Thy own self that shall endure forever after all things have vanished And by Thy Names which manifest Thy power over all things And by Thy knowledge which pervades all things And by the light of Thy countenance which illuminates everything O Thou who art the light! O Thou who art the most holy! O Thou who existed before the foremost! O Thou who shall exist after the last! O Allah! Forgive me my such sins as would affront my continency O Allah! Forgive me my such sins as would bring down calamity O Allah! Forgive me my such sins as would change divine favours (into disfavours (O Allah! Forgive me my such sins as would hinder my supplication O Allah! Forgive me such sins as bring down misfortunes (or afflictions) O Allah! Forgive my such sins as would suppress hope O Allah! Forgive every sin that I have committed and every error that I have erred O Allah! I endeavour to draw myself nigh to Thee through Thy invocation And I pray to
